

**3/4 of all men cannot find
the fitting screw for to fit a nut at home.***

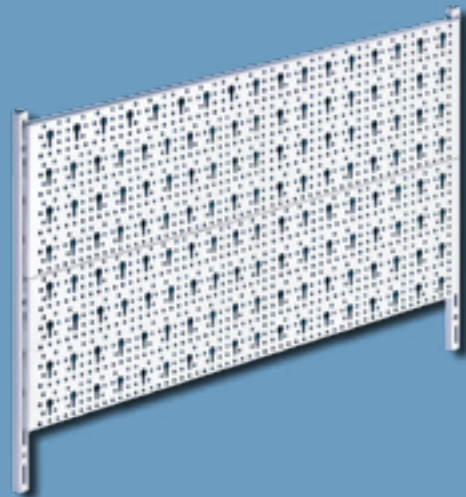

TOOL STORAGE SOLUTIONS

***At least that is what we think.**

Now is time for this to stop, because with our system, organization will come back to the workshop. And at home you will have more workspace in just a few hand movements. All you need is an upright, the ELEMENT SYSTEM steel hole plate and the flexibly integrable accessories. Now you have an individual workplace where the times of searching are finally a thing of the past.

ALL YOU NEED:

1.

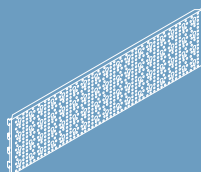

UPRIGHTS CLASSIC 50

Mount uprights on the wall.

2.

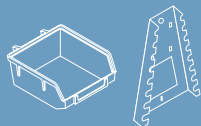

PERFORATED STEEL PANEL

Install the perforated steel panel on the uprights.

3.

ACCESSORIES

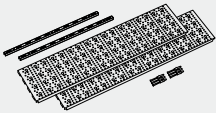

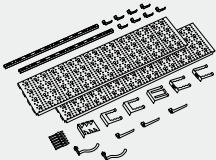

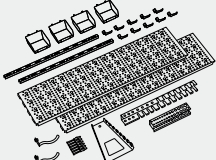

Flexibly hang up accessories and make space.

TOOL STORAGE SOLUTIONS

Discover the right thing for you and your workshop
from storage up to the tool holder.
