Rare Earth Magnetic Tip and Hollow Shaft Design é Performance For Professionals

Introducing new cushion-grip nut drivers from Klein Tools that combine the power of rare earth magnetic tips and the convenience of a hollow shaft design. Available in 1/4" and 5/16" hex sizes and a variety of shaft lengths (from a 1-1/2" stubby to an 18" super long), Klein's rare earth magnetic tip nut drivers securely hold fasteners in place for one-handed operation and easily drive nuts on long bolt applications, as well as many electrical and HVAC/R panels.
