Bracket Information

The unhandled bracket allows for 6 mounting combinations: 4 platform bottom mount options and 2 side mount options. See front page for illustrations.

In order to minimize inventory requirements, four bracket lengths have been designed to be used either individually or in combination to cover all slide lengths.

Slide Lengths

12" through 32"

1 kit to side mount, 2 kits to bottom mount.

34" through 36"

2 kits (same part number) required for side mount,
4 kits (same part number) for bottom mount.

40" 42", 48", and 60"

2 kits (different part numbers) to side mount,
