HEYClip™ Push Mount Wire Clips

- Push mount design allows for fast installation.
- Releasable and reusable wire clip.
- Bayonet design allows from .020" (0,5 mm) panel thickness to .150" (3,81 mm).
- Bayonet snap locks into a .25" (6,35 mm) hole and will hold a 25 pound continuous load or a 50 pound impact load.
- Made of Nylon 6/6 with a 94V-2 flammability rating.
- Multiple sizes available for bundles from .187" (4,7 mm) to 1.00" (25,4 mm).

Standard color gray.

*.30" (7,6 mm) bayonet length.

** .37" (9,4 mm) bayonet length.

Push Mount Wire Clips Instructions

Simply insert base of clip into .25" diameter hole.

HEYClip opens easily for access to bundle.

Unique lock/release feature operates easily and locks securely. When closed, HEYClip will not open until tab is released.

Release tab provides easy opening without forcing.

Barbed locking element ensures reliable retention.

Quick lock/release allows fast lock-up and easy access to wire bundle.

Unique design of push mount permits fast installation and provides high pull-out resistance.
