

## USB 2.0 A to Micro-B Coiled Cable (M/M), 3 ft.

MODEL NUMBER: **U050-003-COIL**

### Description

The U050-003-COIL USB 2.0 Hi-Speed A to Micro-B Coiled Cable (M/M) connects your computer, laptop or other compatible USB-A device to a high-speed USB Micro-B mobile device. Ideal for charging and syncing smartphones, tablets and digital cameras, this three-foot cable is excellent for multimedia and other high-end applications that require fast, clear transmission free of line noise and other interference.

This cable supports data transfer rates up to 480 Mbps for both low- and high-speed devices. The specially coiled cable takes up much less space than a regular three-foot cable. It also resists tangles and knots, making it convenient to store in your car or carry in your purse, backpack or laptop bag.

Molded nickel-plated connectors ensure excellent conductivity. Integral strain relief ensures the cable and connectors last a long time. A rugged PVC jacket protects twisted 28 AWG data lines and 24 AWG power lines.

### Features

Connect and Power Your Mobile Devices

- Ideal for charging and syncing smartphones, tablets and digital cameras
- Excellent for multimedia and other high-end applications that require fast, clear transmission free of line noise and other interference
- Supports data transfer rates up to 480 Mbps
- Backward compatible with earlier USB generations

Coiled to Take Up Less Space than Regular 3 ft. Cable

- Resists tangles and knots
- Stores perfectly in car, purse, backpack or laptop bag

First-Rate Construction for Superior Signal Transfer

### Highlights

- Supports data transfer rates up to 480 Mbps
- Molded nickel-plated connectors
- Twisted 28/24 AWG data/power lines
- 3 ft. cable is coiled to take up less space

### System Requirements

- Device with USB Micro-B female connector

### Package Includes

- U050-003-COIL USB 2.0 Hi-Speed A to Micro-B Coiled Cable (M/M), 3 ft.
