PRODUCT NUMBER																																																																																																
51952-110__ NOTE 3																																																																																																
NOTES:																																																																																																
1. DIMENSIONS AND TOLERANCES ARE IN ACCORDANCE WITH ASME Y14.5M, 1994 UNLESS OTHERWISE SPECIFIED.																																																																																																
CONNECTOR NOTES:																																																																																																
(2) HOUSING MATERIAL: UL 94 V-0 GLASS FILLED HIGH-TEMP THERMOPLASTIC POWER CONTACT MATERIAL: COPPER ALLOY SIGNAL PIN MATERIAL: COPPER ALLOY																																																																																																
3. PLATING: 51952-110 ,51952-110LF PLATING SPEC. WAS SHOWN IN THE PRINT OF 10064183.																																																																																																
(4) MANUFACTURER'S NAME, P/N, AND DATE CODE TO APPEAR ON THIS SURFACE.																																																																																																
5. PRODUCT SPECIFICATION GS-12-149. APPLICATION SPECIFICATION BUS-20-067.																																																																																																
6. PACKAGED IN TRAYS.																																																																																																
PCB NOTES:																																																																																																
7. ALL HOLE DIAMETERS ARE FINISHED HOLE SIZE.																																																																																																
8. MOUNTING HOLES, WHERE APPLICABLE, ARE UNPLATED.																																																																																																
(9) $\varnothing 1.151 \pm 0.025$ DRILLED HOLES PLATED WITH 0.008 MIN SnPb OR Sn OVER .001 [0.03] TO 0.08 Cu PLATING TO ACHIEVE $\varnothing 1.02 \pm .07$ HOLE.																																																																																																
(10) "DIM XXX" TO BE DETERMINED BY THE CUSTOMER.																																																																																																
(11) CONNECTOR KEEP-OUT ZONE.																																																																																																
12. FOR PRESS FIT APPLICATION USE FCI CAM TOOL 430169-XXX.
