Toolless straight	Shielded	Cat 5	360043	360044

* Indicates RJ45 will be shipped assembled in the Pulse-Net receptacle housing. All other styles will not be assembled in housing for ease of termination at application.

** Bulk packaged in increments of 1 after minimum line item order satisfaction.

Note: Additional colors and spanner nuts are available for all styles and terminations. Please contact Amphenol Alden Products directly.
