912/1 Tool box - 1 compartment

- ecological lacquered with cadmium and lead free colour
- long type with one handle
- material: st. 12 according to DIN
- material thicknes: 0,6 mm

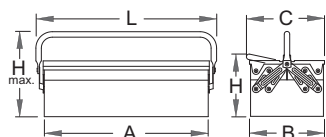

601910	A	B	C	L	H	H _i
	560	210	220	600	125	220

912/3 Tool box - 3 compartment

- ecological lacquered with cadmium and lead free colour
- long type with one handle
- material: st. 12 according to DIN
- material thicknes: 0,6 mm

	A	B	C	L	H	H _i
601911	560	210	220	600	175	270

912/5 Tool box - 5 compartment

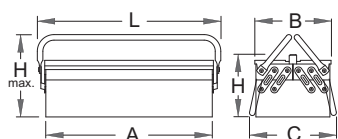

- ecological lacquered with cadmium and lead free colour
- long type with one handle
- material: st. 12 according to DIN
- material thicknes: 0,6 mm

	A	B	C	L	H	H _i
601912	560	210	220	600	225	320

914/3 Tool box - 3 compartment

- ecological lacquered with cadmium and lead free colour
- short type with two handles
- material: st. 12 according to DIN
- material thicknes: 0,6 mm

	A	B	C	L	H	H _i
608538	460	210	235	485	175	225

915/5 Tool box - 5 compartment

- ecological lacquered with cadmium and lead free colour
- long type with two handles
- material: st. 12 according to DIN
- material thicknes: 0,6 mm

	A	B	C	L	H	H _{max}
607137	560	210	235	585	225	275

960/1 Tool box

- ecological lacquered with cadmium and lead free colour
- intended for transport and storage of tools, power tools and equipment, documentation in various climatic conditions
- material:st. 12 according to DIN
- material thicknes: 0,6 mm
