PRODUCT CHANGE NOTIFICATION (PCN)

Release Date: October 03, 2013
Product Category: Ampro by ADLINK CoreModule® 730
Models Affected: CM-730-R-11/R-16/L-11/L-16, and all semi-custom
                          derivatives

Purpose of Notification:
- o Change of Lifecycle Status

In accordance with the Lifecycle Solutions^{SM} program for Ampro by ADLINK products, ADLINK announces that the product models listed in this notification are being transitioned from **Active Promotion** to **Continued Availability** status, effective immediately. This means that this product is no longer recommended for new designs and the CM-730-L11/L-16 QuickStart kits are no longer available.

Current customer's that require the CM-730 products will be able to continue to purchase the product for the duration of the CM-730's lifecycle. Boards will be built to order and as such lead times may extend.

The AMPRO product lifecycle is typically 7 years. ADLINK expects to provide CM-730 products until 2015 based on availability of the CPU and chipset.

An important part of the Lifecycle Solutions program for Ampro by ADLINK products is to provide customers with notice of any changes that might affect long-term product usage or availability. If you have any questions or concerns about this notice, please contact your ADLINK sales representative.
