

Technical drawing of a plate with 11 holes. The drawing shows a rectangular plate with dimensions 22,86 (width) and 5,08 (height, calculated as 2,54 x 2). There are 11 holes in total. Two holes are located on the left edge, with a center-to-center distance of 1,52 and a distance of 2,54 from the top edge. A central cluster of 7 holes is arranged in a 3x3 grid with the center hole missing, with a pitch of 2,54. Two additional holes are located on the right edge, with a center-to-center distance of 2,54 and a distance of 2,54 from the top edge. All holes have a diameter of 0,05. A note "All holes 1)" points to the hole symbols. A note "1st contact" points to the central cluster. A note "Min. ø 2,8" points to the right edge of the plate.
