Direct To Rust Metal Paint	4 - 5
Metalcare - Task Specific Products	6 - 7
Metalcare - Primers & Converters	8 - 9
Automotive - Rustproofing & Protection	10 - 11

Introducing 2 new colours
to the Hammerite range:

Muted Clay

Wild Thyme

Both available in Hammerite Smooth Finish

Direct To Rust Metal Paint

Metal Finishes

Hammered, Smooth and Satin

Protects and rejuvenates metal.

- Formulated to offer 8 year protection
- Drying / re-coat times reduced to 4 hours
- Contains anti-corrosive pigment giving additional barrier protection by reacting with atmospheric moisture
- Paintable, sprayable and rollable
- Can be applied directly to rust with no need for primer or an undercoat
- Corrosion resistant
- Specially formulated to form a tough barrier that sheds moisture to provide long lasting protection

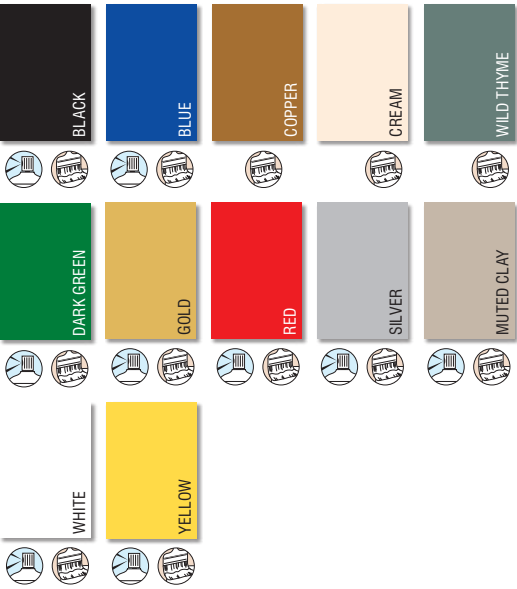

Hammered Finish - Colours
