Wiha Square Handle. The Classic Screwdriver for Multiple Applications.

*Wiha Square handle,
impact resistant and
cadmium-free –
also withstands a few
hammer strokes.*

Square Handle Advantages:

- Robust, large-surface handle made of impact-resistant plastic material, chemical and oil-resistant
- Smooth handle surface allows easy cleaning
- Wiha ChromeTop-finish on tip for a perfect fit every time
- Takes up a small amount of space in the toolbox

The Wiha Square handle screwdriver is the classic screwdriver for everyday use in multiple applications.

Its robust handle is manufactured from high quality plastic and is impact-resistant, non-splintering and recyclable.

Users appreciate its multiplicity and high quality, which is also expressed through the hardened chrome-vanadium-molybdenum steel blade.
