## High Resolution SVGA/VGA Monitor Easy Pull Cable with Audio and RGB Coax (HD15 M/M), 100-ft.

MODEL NUMBER: **P504-100-EZ**

### Description

Tripp Lite's 100 ft. SVGA/VGA Easy Pull Monitor Cable with Connectors and built-in 3.5mm Audio makes running long length video cables a snap. The pull-apart design allows the cable to be run through conduit or other tight areas that a HD15 connector wouldn't fit through. Diameter of the circular DIN end is only 7/8". Circular Easy Pull connector is threaded to ensure maximum security once the cable is re-attached. The mini-coax (RGB) and paired video wire construction delivers superior signal quality. Double shielding (foil and braid) provides maximum EMI/RFI protection. Both high density DB15 males and 3.5mm stereo connectors are molded and have integral strain relief to ensure they last a long time.

### Features

- Single run for HD15 Video and Stereo
- Two-piece design runs through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Superior-molded cables with foil and braid shielding for maximum EMI/RFI protection
- RGB 75-ohm coax construction for maximum video resolution
- HD15 male to HD15 male and 3.5mm Stereo M/M molded connectors
- Supports resolutions up to 1600 x 1200

## Specifications

INPUT	
Cable Length (ft.)	100
Cable Length (m)	30.5

### Highlights

- Two-piece design allows cable to feed through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Superior-molded cables with foil and braid shielding for maximum EMI/RFI protection
- CMR PVC rated
- Useful in AV presentations installations, projector applications, and classrooms
- 75ohm mini-coax (RGB) and paired video wire construction delivers superior video signal quality
- 3.5mm Stereo Plugs

### Package Includes

- 100 ft. Male/Male Easy Pull SVGA/VGA Monitor Cable w/ Connectors and 3.5mm Audio
