

Showing off has never been easier

Spray Mount™

- #1 spray adhesive for professionals
- Bonds lightweight materials instantly, yet allows work temporarily to be lifted and repositioned
- Permanent when dry

Ideal for: mock-ups, type setting, visuals, mounting designs, display boards, etc.

Display Mount™

- Ultimate strength adhesive for permanent mounting and bonding of heavy weight materials
- Permanent bond

Ideal for: exhibition, demonstration rooms, studio and theatre sets

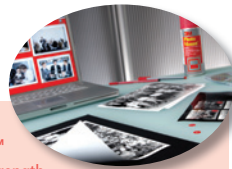

Photo Mount™

- A high strength professional grade adhesive for coated papers
- Instant, permanent bond

Ideal for: photographs, illustrations, prints, posters, maps

Re Mount™

- Light bonding adhesive providing a temporary bond
- Repeated repositioning, without leaving residue

Ideal for: general office use, lightweight paper, card, concept boards and fabric
